- 6 by which he is regularly employed,".

EXPLANATION OF H. F. 263

The purpose of this bill is to afford to policemen while they are acting pursuant to order outside of their own municipality, the same protection of pension and retirement benefits which they have while acting within the limits of the municipality. This will provide for protection to the policemen while participating in road block activities and while lending assistance to county sheriffs, the Highway Patrol and other law enforcement agencies and while engaged as a law enforcement officer in civil defense activities.
